

## Jenny's Banana Chocolate Chip Mini Muffins

### Ingredients:

\*1 Cup white sugar

\*1/2 cup vegetable oil

\*3 ripe bananas

\*1 egg

\*2 cups all-purpose flour

\*1 teaspoon baking soda

\*1/2 teaspoon salt

\*1/2 cup semi sweet chocolate chips

[If you want to make this vegan, do not use the egg and add one more ripe banana.]

### Cooking Instructions:

Preheat oven to 350 degrees Fahrenheit.

In a large bowl mash up the bananas. Add sugar, oil and egg and mix all together.

Add flour, baking soda and salt and mix until you can no longer see any flour.

Add chocolate chips and mix together.

Get a muffin pan and either line with cupcake liners or spray with a non-stick spray.

Fill the sections about  $\frac{3}{4}$  full with batter.

Bake for 20-25 minutes until golden brown for normal size. For mini muffins bake 15-20 minutes until golden brown.

Let cool about 10 minutes and then remove from pan.

Enjoy!
